May 2009	Completion of 35-hour intensive training course in Cognitive Behavioral Analysis System of Psychotherapy (CBASP)

PROFESSIONAL EXPERIENCE

CLINICAL AND EXECUTIVE MANAGEMENT

June 1998-August 2006	<u>Clinical Director, Family Mosaic Project (FMP), San Francisco, California:</u> <ul style="list-style-type: none">▪ Oversee all clinical components of the county's lead intensive care management and wraparound services program, which is funded through a Medi-Cal capitation contract with the California Department of Health Services, and is responsible for coordination of planning, access, and delivery of multi-disciplinary services to approximately 250 seriously emotionally disturbed children and youth, and their families.▪ Member of the FMP Executive Management Team, which develops policies, procedures, and protocols necessary to effect program implementation and delivery of culturally competent services.▪ Responsible for the development and enhancement of clinical, wraparound, and care management services, and supervise middle-level management (licensed clinical supervisors) in overseeing the monitoring of those services. Provide indirect supervision and ongoing consultation to 14 care managers, conduct risk assessments and coordinate care team meetings for high-risk clients, and prepare court reports and testimony for forensic clients.▪ Direct the Intensive Care Management (ICM) Quality Assurance/Quality Improvement Program, which addresses quality of care issues within the county's three ICM agencies regarding high-end use of client services, clinical complexity, and system of care difficulties.▪ Manage the agency's grievance process for successful resolution of client and staff complaints, including preparation of quarterly reports for the county.▪ Chair the Program Utilization Review Quality of Care Committee, which is responsible for weekly reviews of medical records to ensure appropriate utilization of services, maintenance of standards of care, and compliance with federal, state, and county guidelines.▪ Co-chair the ICM Integrated Intake and Triage Team, which reviews all child and youth clients referred for intensive care management and wraparound services within the county.▪ Develop and coordinate annual in-service training curriculum for all clinical staff, and teach select topics, including workshops on standards of care, system-wide documentation, bipolar disorder, forensic issues, and child and adolescent psychopathology.▪ Work with the Medical Director to oversee medical, psychiatric, and nursing services, including supervision of psychiatric fellows and nursing students.▪ Developed, direct, and supervise clinical training program for clinical psychology graduate students and California Psychology Internship Council (CAPIC) interns.
-----------------------	---

CLINICAL AND EXECUTIVE MANAGEMENT (CONT'D)

October 2001-December 2002

Interim Executive Director, Family Mosaic Project (FMP), San Francisco, California:

- Maintained all responsibilities of FMP Clinical Directorship.
- Oversaw all clinical, fiscal, and operational components of the agency, including management of personnel progressive discipline process, and agency program reviews and audits by county and state regulating bodies.
- Managed annual budget of 3 million dollars, in accordance with capitation parameters set by the California Department of Health Services.
- Led the FMP Executive Management Team in developing policies, procedures, and protocols for implementation of the program and delivery of culturally competent services to clients.
- Oversaw recruitment, training, supervision, and retention of a diverse, multi-disciplinary, culturally competent staff of 35 full-time individuals, as well as a contracted private network of approximately 70 individual and agency providers of clinical and wraparound services.
- Served on the Community Behavioral Health Services (CBHS) Children, Youth and Family System of Care Management Team, which oversees, directs, and sets policies for all inpatient, outpatient, and day treatment programs serving children, youth, and families within the county.
- Participated in recruitment and hiring process for FMP Executive Director.

December 1996-May 1998

Chief Psychologist, Seneca San Francisco Alternatives Program, San Francisco, California:

- Directed clinical treatment services of 12-bed, level-14 sub-acute residential treatment program, which provides highly structured and intensive mental health services to severely emotionally disturbed adolescents.
- Assisted the Program Director in ongoing administration and crisis management of the unit, including 24-hour coverage of executive decision-making responsibilities, and agency representation at various county-wide committees.
- Member of Continuing Quality Improvement/Quality Assurance Committee, including direction of ongoing Quality Improvement projects regarding clinical services (e.g., standardization and training of medical record documentation and clinical service delivery; development of programmatic policies and procedures regarding client safety; direction of critical incident focus studies, in coordination with the Medical Director of the CBHS Child, Youth, and Family Services; participation in planning development of a locked Community Treatment Facility, in conjunction with Langley Porter Psychiatric Institute and CBHS.
- Direct supervision of master's-level therapists, ongoing clinical consultation regarding treatment and case management services, and community liaison with outside agencies.
- Assisted Medical Director in developing training experiences and providing supervision for medical students and post-doctoral fellows from the Department of Psychiatry, University of California San Francisco Medical School.
- Provision of clinical services, including psycho-diagnostic assessment and psychological evaluation of clients, admission and intake screenings, crisis intervention, development and co-facilitation of psycho-educational and therapeutic groups, and ongoing consultation to psychology, social work, medical, and nursing staff.

1995-1996

Supervising Psychologist, Pinefield Children and Youth Unit, Mohawk Valley Psychiatric Center, Utica, New York:

- Appointed Unit Supervisor for Psychology to provide team leadership, and clinical and administrative supervision to master's-level psychologists within the unit.
- Addressed and resolved organizational and administrative concerns to ensure effective interactions among professional disciplines, and represented the Psychology Department at unit and hospital-wide meetings
- Participation in Quality Improvement and Total Quality Management projects, including (sole) development of a behavior management protocol implemented throughout the unit.

1993-1995

Unit Liaison for Psychology, Pinefield Children and Youth Unit, Mohawk Valley Psychiatric Center, Utica, New York:

- Appointed as the unit representative for the professional discipline of Psychology, and charged with providing ongoing contact between psychologists and administrative bodies.

ADDITIONAL CLINICAL EXPERIENCE

- 2006-current **Private Practice, Oakland, California:**
- Conduct psycho-diagnostic evaluations and psychological assessments, and deliver evidence-based treatments to adults, adolescents, couples, and families. Areas of specialization include mood, anxiety, dissociative, personality, trauma, and co-occurring psychiatric disorders.
- 2006-current **Staff Psychologist, Gateway Psychiatric Services, San Francisco, California:**
- Conduct psycho-diagnostic evaluations and deliver evidence-based treatments in inter-disciplinary practice specializing in mood & complex psychiatric disorders.
- 2006-2007 **Consulting Clinical Psychologist, Diablo Behavioral HealthCare, Danville, California**
- Conducted psycho-diagnostic evaluations and psychological assessments, and delivered evidence-based treatments in inter-disciplinary practice specializing in mood, developmental, and complex psychiatric disorders.
- 1992-1996 **Associate Psychologist, Pinefield Children and Youth Unit, Mohawk Valley Psychiatric Center, Utica, New York:**
- Conducted individual, group, and family therapy with severely disturbed children and adolescents within a 39-bed unit of an acute-care state hospital, utilizing cognitive-behavioral, psychodynamic, and psycho-educational techniques.
 - Development and implementation of treatment and aftercare services, including ongoing semi-weekly, short-term, inpatient psychotherapy group for adolescent females.
 - Conducted comprehensive psycho-diagnostic assessments, including court-ordered forensic evaluations and testimony.
 - In-service training and consultation to nursing and unit staff, and clinical supervision of undergraduate psychology students from Hamilton College.
- 1991-1992 **Predoctoral Fellow, Yale Psychiatric Institute, Department of Psychiatry, Yale University School of Medicine (APA-approved clinical psychology internship):**
- Conducted intensive individual, family, and milieu therapy with severely disturbed, treatment-refractory adolescents and young adults within a 24-bed, long-term, psychiatric inpatient unit.
 - Conducted comprehensive psycho-diagnostic assessments and psychological evaluations on adolescent and adult inpatients, and adolescent partial hospital patients.
 - Co-facilitated weekly multi-family therapy group.
- 1990-1991 **Clinical Assistant and Therapist, Syracuse University Counseling Center, Syracuse, New York:**
- Provided extended evaluation, short-term counseling, psychological assessment, crisis intervention, and group psychotherapy to university graduate and undergraduate students.
- May-August 1990 **Staff Therapist, St. Joseph's Hospital Health Center, Syracuse, New York:**
- Conducted intake evaluations, psychological assessments, crisis intervention, and short-term individual and family therapy with adolescents and young adults at a community hospital.
- 1988-1989 **Graduate Assistant and Senior Staff Therapist, Syracuse University Psychological Services Center, Syracuse, New York:**
- Provided ongoing consultation and informal supervision to novice therapists and graduate students at a community outpatient mental health clinic.
 - Conducted intake evaluations, suicide assessments, crisis intervention, and individual psychotherapy with adults, adolescents, and children, as well as marital and family therapy.
- 1987-1988 **Psychology Trainee, St. Joseph's Hospital Health Center, Syracuse, New York:**
- Provided individual and family therapy for neurotic, psychotic, and character-disordered adults in both outpatient and inpatient community hospital settings.
 - Psycho-diagnostic assessment and psychological evaluation of children and adults.

ADDITIONAL CLINICAL EXPERIENCE (CONT'D)

- 1986-1987 **Graduate Assistant and Therapist, Syracuse University Psychological Services Center**
- Conducted intake evaluations, suicide assessments, crisis intervention, and individual psychotherapy with adults, adolescents, and children, as well as marital and family therapy.
 - Developed long-term psychotherapy group for adult women survivors of incest
- 1982-1985 **Crisis Counselor, Sexual Assault Victims' Assistance Program, Bellevue Hospital, New York, New York:**
- Volunteer member of multi-disciplinary team providing immediate crisis intervention and short-term follow-up counseling to adult female victim-survivors of sexual assault.
 - Psychiatric assessment, screening, and referral of emergency room patients.
 - Clinical instruction and supervision of counseling trainees and nursing personnel.

CLINICAL PRACTICUM EXPERIENCE

- Fall 1986 **Advanced Psychological Assessment:** Advanced instruction in the use and interpretation of common psycho-diagnostic measures of intellectual and personality functioning.
- 1986-1987 **Family Intervention:** Intensive instruction and experience in the delivery of services to adolescents and children and their significant others.
- Fall 1987 **Depression:** Advanced instruction and experience in the evaluation and short-term treatment of affective disorders.
- Spring 1988 **Developmental Diagnosis:** Application of developmental and object relations theories to the diagnosis and treatment of emotional disorders.
- 1988-1989 **Countertransference:** Intensive instruction and experience in the theoretical and technical aspects of countertransference phenomena via a single case study.
- Spring 1989 **Marital Therapy:** Advanced instruction and experience in evaluation and treatment of discordant marital relationships.
- Spring 1989 **Pediatric Psychology:** Advanced instruction and experience in the development of a wide range of evaluative, consultative, and interventive skills relevant to the treatment of children's emotional and behavioral disorders.
- 1989-1990 **Psychotherapy Supervision:** Instruction and experience in the active supervision of lower-level doctoral students in the techniques and practice of ongoing psychotherapy.

RESEARCH AND TEACHING

- 2008-current **Assistant Clinical Professor, UCSF Medical School Langley Porter Psychiatric Institute & U. C. Berkeley Clinical Sciences Doctoral Training Program:**
- Supervise doctoral candidates and child and adolescent psychiatry fellows in DBT and CBT .
- 2007-current **Clinical Research, Private Practice, San Francisco and Oakland, California:**
- Developed and piloting self-monitoring instrument for patients as a means of reducing subjective distress, mitigating psychiatric symptoms, and enhancing self-esteem.
- 2004-current **Adjunct Professor of Clinical Psychology, Argosy University, San Francisco Bay Area Campus:**
- Developed and teach curriculum in Psychological Assessment (Cognitive and Personality) to students enrolled in APA-accredited clinical psychology doctoral training program.
 - Developed and teach Advanced CBT Seminar (Evidence-Based Treatment of Severe Mental Illness) to upper-level doctoral trainees in APA-accredited clinical psychology training program.

RESEARCH AND TEACHING (CONT'D)

2003-2006

Intensive Care Management Training Director, Community Behavioral Health Services, Children, Youth, and Family Services Training Consortium, San Francisco, California:

- Participated in development of California Psychology Internship Council (CAPIC)-accredited graduate-level internship consortium across four agencies within Community Behavioral Health Services, Children, Youth, and Family System of Care.
- Developed and taught curriculum for Clinical Case Conference series for master's- and doctoral-level students.
- Provide training and supervision to psychology interns and practicum students in the psychological assessment, psycho-diagnostic evaluation, and treatment and discharge planning of severely emotionally disturbed children and youth.

2000-current

Adjunct Faculty, The Wright Institute, Berkeley, California:

- Developed psychology field placement training program in community mental health agency for advanced doctoral students enrolled in APA-accredited clinical psychology training program.
- Provided training and supervision in the psychological assessment, psycho-diagnostic evaluation, and treatment and discharge planning of severely disturbed children and youth.
- Developed and taught seminar in Cognitive Behavioral Interventions in the Diagnosis and Treatment of Children and Adolescents to students enrolled in APA-accredited clinical psychology doctoral training program.

1998

Training Committee, Bipolar Disorder Task Force, Community Behavioral Health Services, Children, Youth, and Family Services Section, San Francisco, California:

- Appointed to serve on panel to provide BOP- and BBSE-certified, system-wide training on the diagnosis and treatment of bipolar disorder in children and adolescents.

1997-2000

Adjunct Assistant Professor of Clinical Psychology, California School of Professional Psychology, Alameda, California:

- Developed and taught graduate-level seminar addressing normal and pathological aspects of psychological development from infancy through adolescence.

1994

Guest Lecturer, Department of Psychology, Colgate University, Hamilton, New York:

- Invited to address advanced undergraduates in Developmental Psychopathology course.

1989-1990

Teaching Assistant, Department of Psychology, Syracuse University, Syracuse, New York:

- Instruction and supervision of first-year doctoral students in the administration, scoring, and interpretation of psychological assessment techniques, including clinical interviews, intelligence tests, personality inventories, and projective techniques.

1985-1986

Research Assistant, Department of Psychology, Syracuse University, Syracuse, New York:

- Participation in research design, data collection, and statistical analysis of faculty research projects, including perspective-taking and interpersonal problem-solving abilities in preschool children, and the incidence of eating disorders in college women.

1981-1985

Research Assistant, Department of Physiology and Biophysics, New York University Medical Center, New York, New York:

- Investigation of the electrophysiology and sensorimotor processing of vestibular and oculomotor systems.
- Training and supervision of novice research assistants.

1979-1980

Research Assistant, Departments of Neurosurgery and Urology, Beth Israel Hospital, Boston, Massachusetts:

- Investigation of the neural substrates of male impotence.

PROFESSIONAL PRESENTATIONS

- July 2008 Use of Self-Monitoring and Personal Narrative in Schema Change: Interventions to Enhance Positive Emotions and Self-Esteem in Bipolar Depression.
Poster presented at the Annual Meeting of the British Association of Behavioural and Cognitive Psychotherapies, Edinburgh, Scotland.
- May 2008 Use of Self-Monitoring and Personal Narrative in Schema Change: Interventions to Enhance Positive Emotions and Self-Esteem in Bipolar Depression.
Powerpoint webinar presented to the Evidence-Based Practices Online Learning Community.
- March 2008 Out of the Abyss: Building Positive Emotions and Self-Esteem in Bipolar Depression.
Workshop presented at the Annual Meeting of the Northern California Psychiatric Association, Monterey, California.
- September 2006 Juvenile-Onset Bipolar Disorder: Under-Diagnosed, Under-Treated, Under Discussion.
Senior clinical consultant on inter-disciplinary development and production team for two-day fully accredited continuing education seminar featuring Demetri Papalos, M.D., Robert Hendren, D.O., and Janice Papalos, Stockton, California.
- May 2003 Two Sides of the Coin: Adolescent Victims and Offenders.
Invited address at the annual Return to Respect and Responsibility (3R) Conference, sponsored by the Alameda County Office of the District Attorney, Oakland, California.
- October 2002 Questioning Youth: A Cultural Perspective of Adolescent Sexual Development and the Clinical Process.
Panel discussion and workshop presented to the Community Behavioral Health Services, Children, Youth, and Family System of Care Annual All-Staff Meeting, San Francisco, California.

PROFESSIONAL PRESENTATIONS (CONT'D)

- October 2002 Community Mental Health Strategies for America's Children: Training Mental Health Professionals in Systems of Care. Participated in development and presentation of Special Program by the American Academy of Child & Adolescent Psychiatry (AACAP) Work Group on Community-Based Systems of Care, 49th Annual Meeting, San Francisco, California.
- October 2002 Intensive Care Management: A Foundation for Systems of Change. Clinical Practicum presented at the 49th Annual Meeting of the American Academy of Child & Adolescent Psychiatry (AACAP), San Francisco, California.
- Fall 2002 Assessment of Children, Youth, and Families: Understanding and Integrating Cultural Issues. Mandatory training workshops presented to all clinical staff within the Community Behavioral Health Services, Children, Youth, and Family System of Care, San Francisco, California.
- June 2001 Suicide Prevention with Children and Adolescents: CBHS-CYF Suicide Management Guidelines. Powerpoint presentation and training workshop presented to the Community Behavioral Health Services, Children, Youth, and Family System of Care, San Francisco, California.
- December 1998 Child and Adolescent Bipolar Disorder: Psychopathology, Diagnosis, & Outpatient Treatment Modalities. Powerpoint presentation and training seminar presented to the Community Behavioral Health Services, Children, Youth, and Family System of Care, San Francisco, California.
- March 1996 The Psychopathology of Externalizing Disorders: A Lifelong Analysis. Live teleconference discussion of the etiological, diagnostic, and treatment concerns related to disruptive behavioral disorders across the lifespan, broadcast to psychiatric facilities statewide by the New York State Office of Mental Health, Statewide Grand Rounds Program, Albany, New York.

PROFESSIONAL COMMITTEES AND PUBLIC SERVICE

- 2004-2006 Member, Community Liaison Officers' Unification Team (C.L.O.U.T.): Selected to participate in joint initiative between the San Francisco Police Department and the San Francisco Department of Public Health, Division of Community Behavioral Health Services, which responds to community police action in an effort to reduce stress, defuse high-risk situations, and improve relations between police and communities.
- 2003-2006 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Gun Violence Prevention, Response, Aftercare and Recovery Work Group: Participate on task force that developed multi-level protocol for addressing the needs of victims and survivors of gun violence within high-risk communities of San Francisco, and provide ongoing education, prevention, and crisis intervention.
- 2002-2004 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Clinical Services and Cultural Competence Integration Committees: Selected to represent Children, Youth and Family System of Care on committees addressing needs of dually diagnosed clients in developing department-wide protocol for integrating and improving access to mental health and substance abuse services.
- 2001-2006 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Children, Youth and Family System of Care, Cultural Competency Task Force & Training Committee: Selected to participate on task force to re-design (and provide training for staff on) system-wide assessment tool, incorporating multi-cultural viewpoints with clinical evaluation techniques.
- 2000-2006 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Children, Youth, and Family System of Care, Documentation Task Force and Training Committee: Invited to participate on inter-disciplinary panel convened to formulate a system-wide standard of documenting plans of care and weekly progress notes.
- 1999-2002 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Children, Youth, and Family System of Care, Executive Leadership Team: Invited to participate on inter-disciplinary panel of department leaders within the Children, Youth, and Family System of Care, which reviews current policies, procedures, and client issues, and makes recommendations for changes that will enhance clinical services access, delivery, and outcomes.

PROFESSIONAL COMMITTEES AND PUBLIC SERVICE (CONT'D)

- 1999-2006 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Children, Youth, and Family System of Care, Risk Management Committee: Invited to participate on inter-disciplinary panel that reviews high-risk child and adolescent clients within the county, and develops interventions for reducing risk, improving treatment outcomes, and enhancing consumer satisfaction.
- 1999-2006 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Children, Youth, and Family System of Care, Child and Adolescent Suicidality Task Force: Invited to participate on inter-disciplinary panel convened to formulate a county-wide standard of practice for diagnosing, treating, and preventing suicidal behavior in children and adolescents.
- 1998-1999 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Risk Management Committee: Appointed to represent the Children, Youth, and Family System of Care on multi-disciplinary, inter-departmental panel that addresses problem issues in need of quality improvement within the county's system of care for all mental health services, including identification of areas of potential risk in the clinical aspects of patient care and safety, recommendations for corrective action, and design of programs to reduce overall risks to patient care and safety.
- 1998-1999 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Children, Youth, and Family System of Care, Sexual Harassment Policy and Procedure Committee: Invited to participate on inter-disciplinary panel convened with Patients' Rights Advocacy Services, to develop a county-wide policy and procedure for addressing sexual harassment and inappropriate sexual conduct involving mental health staff and/or clients.
- 1998-2006 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Children, Youth, and Family Section, Quality Improvement Committee: Invited to serve on inter-disciplinary panel that reviews ongoing policies and procedures within the county's system of care for child and adolescent mental health services, with an emphasis on addressing quality of care issues, treatment strategies and efficacy, preventive interventions, research projects, and utilization management of current service delivery systems.
- 1997-1998 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Children, Youth, and Family Section, Documentation Task Force: Invited to participate on inter-disciplinary panel convened to streamline and improve required documentation procedures within the county's system of care for child and adolescent mental health services.
- 1997-1998 Member, San Francisco Department of Public Health, Division of Community Behavioral Health Services, Children, Youth, and Family Section, Bipolar Disorder Task Force: Invited to participate on inter-disciplinary panel convened to formulate a county-wide standard of practice for diagnosing and treating bipolar disorders in children and adolescents.

PROFESSIONAL RECOGNITION, ASSOCIATIONS, AND OTHER AFFILIATIONS

- 2009-current President, Alameda County Psychological Association (Member since 2007)
- 2008-2009 President-Elect & Chair of Programs, Alameda County Psychological Association
- 2007-current Member, Association of Behavioral and Cognitive Therapies
- 2007-current Member, California Psychological Association.
- 1993-current Member, American Psychological Association.
- July 2004 Recipient, San Francisco Department of Public Health Employee of the Month Award: Community service related to the Gun Violence Prevention, Response, Aftercare and Recovery Work Group.

PROFESSIONAL RECOGNITION, ASSOCIATIONS, AND OTHER AFFILIATIONS (CONT'D)

1982 Elected to Membership, The New York Academy of Sciences.

2004-2006 Wellesley College Alumnae Admission Interviewer (West Coast): Conduct off-campus interviews with prospective students seeking admission to Wellesley College.
